

How do I register my child for kindergarten?

Banyule Council manage central registrations for both 3-year-old and 4-year-old kindergarten. The process is done through our online registration form and parent portal.

To attend 3-year-old kindergarten in 2024 your child must be born between 1 January 2020 and 30 April 2021. Your child must be 3 years of age by 30 April the year of attendance. As every child is different, we encourage you to carefully consider the year your child commences 3-year-old kindergarten as this may have an impact on the year they commence school. There is no repeating of 3 year old kindergarten as mandated by the Department of Education and Training (DET).

To attend 4-year-old kindergarten in 2024 your child must be born between 1 January 2019 and 30 April 2020. Your child must be 4 years of age by 30 April the year of attendance. Children only qualify for a second year of funded 4 year old kindergarten if they meet at least two developmental delays as assessed by a teacher. Being young does not automatically qualify a child for a repeating year.

Registrations for 3 and 4 year old kindergarten 2024 open from 8.30am, Wednesday 1 March 2023 via the online registration form at banyule.vic.gov.au/Kindergartens. Please note, registrations are not time stamped only date stamped.

The first time you visit the website and commence the registration process you will be required to provide an email address and mobile number; then it's child's play to:

- Register your child
- Pay the registration fee
- Change your kindergarten preferences
- Update your details
- Respond to your kindergarten offer

Once you have registered your child/ren, you will receive an email with your username and password so you can access the portal anytime at your own convenience. If you have previously registered a child via the portal, please use your existing login and password to enter your new child.
